

# GCSE EXAM SUCCESS 2019

It has been another successful year for GCSE results at Ridgeway High School, with 51% of students achieving 9-4 grades in mathematics and 57% in English.

Several students secured the higher 9-7 grades, including **Maisy Palin**, **Alisha Layfield**, **William Davie**, **Emma Petterson** and **Sharmin Khan** — all of whom achieved at least 10 GCSEs, with four or more at grade 7 or above.

Headteacher Tony Taylor said:

“I am delighted for the students who have had an anxious wait to see their results, as this is only the second year of the new 9-1 exams across almost all subjects.

“Exam success is only achieved when staff and students work together with determination and commitment. In addition to working hard in class and at home, many of our Year 11s attended additional Saturday School lessons, so these results are thoroughly deserved.

“Well done to everyone. I wish them every success as they progress into the post-16 stage of their learning.”

Other highlights at grades 9-4 included:

- 78% in Spanish
- 81% in art
- 100% in religious education
