

HOSPITALITY AND CATERING

RESPECT · NURTURE · COMMUNITY

Hospitality and catering students were at the heart of the school's efforts to support the recent Macmillan Coffee Morning fundraising initiative, helping Ridgeway to raise a total of £151.

Mrs Grady said: "The students baked the cakes and invited members of the public and the school community over to the CLC where coffee and cakes were on sale.

"It was a really successful event. The students were very proud of the part they had played to support such an important and worthwhile cause."
