TRANSFORMING LIVES THROUGH LEARNING

We're back!

I am delighted that school is open again for all year groups as we continue on our long journey back to normality. It was wonderful to greet the students, most of whom we haven't seen for almost six months.

As you will be aware, we have introduced a number of changes to ensure everyone's safety. So far things seem to be running as smoothly as we had dared hope. Year 7, who are getting used not just to new routines but to a whole new school setting, have settled in really well.

We have had positive feedback from the students about lunchtimes. Key stage 3 and key stage 4 have lunch at different times, with each year group also in its own self-contained area. There are new arrangements for lessons as well; the students generally stay in the same area and the teachers move from classroom to classroom.

If your child is part of a bubble that is required to self-isolate, you will receive an email with details about how we will organise remote learning.

The calendar below shows two online-only events. You will appreciate that this is because of Covid regulations. We will be adding to the calendar when we know more about what events we can safely run.

Liz Williams
Acting Headteacher
